# Telephone Support

Have you just been diagnosed with Diabetes?

Do you live with or support someone who has been diagnosed with Diabetes?

Would you like to talk to someone who has Diabetes?

There is now a friendly voice available who can offer you advice on local information and signpost you to local support which is available for people newly diagnosed with diabetes.

Advice is non-medical and comes from people who live with Diabetes.

**Phone: 07736833978**

**9am to 9pm daily**
